

July 18th, 2019

Mrs. Caroline Hofland
490 Oak Leaf TRL
Suwanee, GA 30024-1055

Dear Caroline:

Thank you very much for your support of the Atlanta Symphony Orchestra. It is the overwhelming generosity and dedication of our donors that make possible the ASO's ongoing tradition of excellence onstage, in the classroom, and in the community. In appreciation of your generous gift to the 2019 Annual Fund, we are thrilled to dedicate a concert in your honor during our upcoming 75th Anniversary Season!

Your concert dedication evening will include recognition on our Atlanta Symphony Hall stage screens, in the program book, and on signage in the lobby of the Memorial Arts Building. We look forward to hosting your party of six guests for dinner in the Robert Shaw Room, and will provide six best available tickets for the performance and valet parking for three vehicles.

Enclosed please find the schedule for the 2019-20 Delta Classical Series. Please review the schedule and list your top three concert dates, in order of preference, on the form provided. In order to best accommodate your concert preference and to ensure recognition in the evening's program book, please return your list of concert selections by **Wednesday, August 21st, 2019** in the envelope provided. Please be aware that some dates may be chosen by more than one honoree and we will make every effort to accommodate your top preference.

If you have any questions or prefer to submit your request via email, please do not hesitate to contact Terra McVoy at 404-733-5160 or terra.mcvoy@atlantasymphony.org. Once your concert dedication date is confirmed, we will send concert tickets and valet parking information by mail to your preferred address.

Please know that you are valued not only as an ongoing supporter, but as a member of our Atlanta Symphony Orchestra family. Thank you again for your continued support. We are looking forward to an exciting 75th Anniversary Season and working closely with you to help make your concert dedication a memorable one.

Best regards,

Grace Sipusic
Vice President of Development
